General Terms and Conditions of Returnable Packaging Management

1. Returnable packaging is the property of MEDICOS and is intended only for the storage and transport of raw materials supplied by MEDICOS under a commercial contract or an order.
2. The Customer who has purchased goods in returnable packaging from MEDICOS shall be obliged to return the packaging within 45 days of the sale of the goods.
3. The returned packaging must be empty and must not be damaged. The packaging may not be used as the Customer's storage packaging.
4. The empty packaging will be collected from the Customer's premises by means of transport organized by MEDICOS.
5. Readiness to return **empty** packaging should be notified by e-mail to: kontakt@medicos.com.pl
6. If the packaging is not returned within 45 days, a VAT invoice will be issued with a payment term of 14 days according to the price list:
   - 1000L pallet container – EUR 150 per piece
   - 200L barrel – EUR 45 per piece
7. The returned packaging must not be contaminated with substances other than those supplied with the packaging. In the event of contamination, MEDICOS reserves the right not to collect the packaging and to charge the Customer an amount based on the packaging prices set out in para. 6 hereof.
8. The returned packaging must not be damaged. In the event that the packaging is returned damaged, MEDICOS reserves the right to charge the Customer an amount based on the packaging prices set out in para. 6 hereof.
9. The returned packaging must be completely emptied; if not, its contents shall become waste, and MEDICOS reserves the right to dispose of such waste at the Customer's expense. If the substance left in the packaging by the Customer causes damage to the packaging, MEDICOS reserves the right to charge the Customer an amount based on the packaging prices set out in para. 6 hereof.
10. The General Terms and Conditions of Returnable Packaging Management in force at MEDICOS are an integral part of all orders processed as part of business cooperation.
